

2012 LDEQ Lead-based Paint Examination Schedule Target Housing and Commercial Industrial Lead Contractors

Submittal of applications with fees and additional documentation for Louisiana accreditation is required prior to testing. Following submittal of the application for accreditation for Lead-based paint Supervisor, Inspector, Risk Assessor, or Project Designer, please contact Curt Auzenne at (225) 219-3300 to schedule an exam date.

Information regarding applications, training providers, and other information may be found on the LDEQ Lead-based Paint website, located at: <http://www.deq.louisiana.gov/portal/tabid/2884/Default.aspx>.

Calculators may be used. Please provide your own.

Exams are held at the LDEQ Conference Center located at 602 N. Fifth Street, Baton Rouge, Louisiana.

Exams are scheduled for the following dates and locations. Single exams will be administered from 1:00 pm to 4:00 pm. Please arrive promptly. If two exams are needed, please contact Mr. Auzenne to schedule a morning exam on the same day.

The Commercial and Industrial lead abatement contractors exam will also be scheduled on these dates.
